Tax Bulletin 6-14

Effective Date: Jan. 1, 2015

Re: Environmental Assurance Fee Increase

The 2014 Utah Legislature passed House Bill 138, *Underground Storage Tank Amendments*. The purpose of this tax bulletin is to notify Utah fuel suppliers and distributors of the impact of this bill on the environmental assurance fee they are required to collect and pay to the Utah State Tax Commission with their monthly Utah Fuel Tax Return.

The environmental assurance fee is assessed on the first sale or use of petroleum products in this state.

Effective Jan. 1, 2015 the fee will increase from 1/2 cents per gallon to 13/20 cents per gallon.
