Tax Bulletin

Tax Bulletin 6-15

Effective Date: Jan. 1, 2016

Re: 2016 Fuel Tax Rates

The 2015 Utah Legislature passed House Bill 362, *Transportation Infrastructure Funding*, increasing the motor fuel and special fuel tax rate from 24.5 cents per gallon to 12 percent of the statewide average motor fuel rack price for the previous fiscal year.

Beginning Jan. 1, 2016, the following tax rates will be effective for fuels sold, used or received for use in Utah:

Motor fuel 29.4 cents per gallon

Special fuel 29.4 cents per gallon

Report and pay these taxes on form TC-109, *Motor Fuel Tax Return*.

Also note: The requirement to post fuel tax rate decals on fuel pumps has been repealed.

For more information about Utah fuel taxes, see Publication 66, *Fuel Tax General Information*, online at tax.utah.gov/forms-pubs/pubs.
