

R865. Tax Commission, Auditing.

R865-19S. Sales and Use Tax.

R865-19S-93. Waste Tire Recycling Fee Pursuant to Utah Code Ann. Section 19-6-808.

A. The waste tire recycling fee shall be paid by the retailer to the State Tax Commission at the same time and in the same manner as sales and use tax returns are filed. The sales tax account number will also be the recycling fee account number. A separate return form will be provided.

1. The tire recycling fee will be imposed at the same time the sales tax is imposed. For example, if tires are purchased for resale either as part of a vehicle sale or to be sold separately by a vehicle dealer, the recycling fee and the sales tax would be collected by the dealer at the time the vehicle is sold. If sales tax is paid to a tire retailer by a vehicle dealer when tires are purchased, the recycling fee will also be paid by the vehicle dealer to the tire retailer.

2. Where tires are sold to entities exempt from sales tax, the exempt entity must still pay the recycling fee.

B. The recycling fee is not considered part of the sales price of the tire and is not subject to sales or use tax.

C. Wholesalers purchasing tires for resale are not subject to the fee.

D. Tires sold and delivered out of state are not subject to the fee.

E. Tires purchased from out of state vendors are subject to the fee. The fee must be reported and paid directly to the Tax Commission in conjunction with the use tax.
