## Motor Fuel Excise Tax (MFET) Application for Fuel Tax Software Certification

**TC-100**  
Rev. 7/16

This form is for the certification of fuel tax software development ONLY.

Please email completed form to **FTX@utah.gov** with the phrase "Security Request" in the subject line. You will be provided with a TESTING user ID and password either by phone or email.

The software used to create and transmit TEST submissions must pass all Utah State Tax Commission software certification requirements, which are outlined in the document entitled *MFET Software Certification Guide*. This document can be downloaded from <http://tax.utah.gov/developers/mfet>.

Upon successful certification, you will be provided with a PRODUCTION user ID and password. Software containing the credentials provided by the Utah State Tax Commission can then be used to transmit production submissions to the MFET XML Web Service.
