What's New

See the 2006 Utah income tax law changes on the back cover of these instructions.

Volunteer Income Tax Assistance (VITA)

VITA volunteers provide tax preparation service to low-income, elderly and disabled taxpayers. Some VITA sites have the capability of filing electronically. Contact the IRS by calling 1-800-829-1040 to find the site nearest you.

Federal Earned Income Tax Credit

The federal earned income tax credit (EITC) is a refundable federal (not Utah) tax credit for certain people who work and have earned income. The credit can mean a larger refund or a reduction in the tax you may owe on your federal return.

To see if you qualify for this federal credit, check the IRS website at www.irs.gov/individuals/article/0,,id=130102,00.html, or call the IRS at 1-800-829-1040.

Income Tax Exemption: You may be exempt from Utah individual income tax if your federal adjusted gross income is less than the sum of your federal standard deduction and personal exemptions for the taxable year. See instructions for line 16 on page 9.

When to File and Pay

TIP Quarterly estimated tax payments are NOT required.

You must file your return and pay any income tax due:

1. By April 16, 2007, if you file on a 2006 calendar year basis (tax year ends December 31, 2006); or
2. By the 15th day of the fourth month following the close of the fiscal year, if you file on a fiscal year basis.

All Utah income taxes for the year 2006 must be paid by the due date. If your return is not filed on time or all income tax due is not paid by the due date you may be subject to penalties and interest. (See Penalties and Interest instructions on page 2.)

Where to File

Mail your return and/or payment using the **envelope in this booklet**. If you don't have a preprinted envelope, refer to the correct mailing addresses on the inside front cover.

What to Attach and What to Keep

Include the following with your TC-40. Keep copies of these with your tax records.

- **Withholding Forms:** Attach all forms (W-2, 1099-R, 1099-MISC, etc.) showing Utah withholding tax for which you are claiming credit and TC-675R showing mineral withholding tax.
- **Utah Schedules:** Attach Utah schedules TC-40A, TC-40B, TC-40C, and/or TC-40S, if applicable.
- **Other Adjustments:** If any other adjustments are entered on TC-40S (Schedule S) Part 1, code 69 or Part 2, code 79, attach a separate explanation.

Do not send a copy of your federal return, credit schedules, worksheets, or other documentation with your Utah return. Keep these, along with any receipts, to support any entry reported on your return. **You may be asked to furnish this information later to verify entries on your Utah return.**

Rounding Off to Whole Dollars

Round off cents to the nearest whole dollar. Round down if cents are under 50 cents; round up if cents are 50 cents and above. **Do not enter cents anywhere on the return.**

Extension of Time to File

TIP There is NO extension of time to pay your taxes – only an extension of time to file your tax return.

You are automatically allowed an extension of up to six months to file your return without filing an extension form. *However, if the prepayment requirements (see next paragraph) are not met on or before the original due date (April 16th), penalties will be assessed.* See Penalties and Interest instructions on page 2. All extension returns must be filed by October 15, 2007.

Prepayment Requirements for Filing Extension

TIP All prepayments are due on or before April 16, 2007.

The required prepayment must equal:

- Ninety percent (90%) of the tax due for 2006 (line 19); or
- One hundred percent (100%) of your 2005 Utah tax liability (line 18 of your 2005 Utah return).

A prepayment may be in the form of withholding (W-2, TC-675R, TC-675M, 1099-R, etc.), tax credit, and/or payment

made on or before the tax due date using form TC-546, Individual Income Tax Prepayment Coupon. Interest will be assessed on unpaid tax from the filing due date until the tax is paid in full. Penalties may also be assessed.

Penalties and Interest

PENALTIES

Utah law (UC §59-1-401) provides penalties for failure to file tax returns by the due date, failure to pay tax due on time, failure to make sufficient prepayment on extension returns, and failure to file information returns or supporting schedules. Details of these penalties, along with a list of additional penalties that may be imposed, can be found in Pub 58, available at the tax.utah.gov/forms. You can calculate late filing, late payment, and extension penalties by using the online Penalty and Interest Calculator at tax.utah.gov/picalc (available April 2007).

INTEREST (In addition to penalties due)

Interest will be assessed on any underpayment from the original due date until any outstanding liability is paid in full. The interest rate for most taxes and fees administered by the Tax Commission for the 2007 calendar year is **7 percent**. Use the online Penalty and Interest Calculator at tax.utah.gov/picalc (available April 2007) or follow the instructions in Pub 58, available at tax.utah.gov/forms to assist you.

Domicile Defined

Domicile is the place where an individual has a permanent home and to which he intends to return after being absent. It is the place at which an individual has voluntarily fixed his habitation, not for a special or temporary purpose, but with the intent of making a permanent home. A domicile, once established, is not lost until all of the following three elements are met: 1) a specific intent to abandon the former domicile; 2) the actual physical presence in a new domicile; and 3) the intent to remain in the new domicile permanently.

For more information on determining residency, see Tax Commission rules R865-9I-2 and R884-24P-52. Visit our website at tax.utah.gov/research/ruleseffective.html.

Resident Defined

A Utah resident is an individual who:

1. Is domiciled in Utah for the entire year, even if temporarily outside of Utah for an extended period of time – even years in certain situations;
2. Is domiciled in Utah for any period of time during the taxable year, but only for the duration of that period;
3. Even though domiciled outside Utah, maintains a permanent place of abode within the state and spends a total of 183 or more days of the taxable year within Utah. This does not apply to military personnel or their spouses who are in Utah on military assignment, unless they are Utah residents.

All income received during the period of Utah residency is taxable in Utah, regardless of the source of that income.

Part-Year Resident Defined

A part-year resident is an individual who is domiciled in Utah for part of the year and is domiciled outside Utah for part of the year. All income received during the period of Utah residency by a part-year resident is taxable in Utah, regardless of the source of that income. Income from Utah sources is taxable in Utah during the period of nonresidency.

Nonresident Defined

A nonresident individual is one who was not in Utah or was in Utah for temporary purposes for less than 183 days during the taxable year. Income received by a nonresident from Utah sources is taxable in Utah.

Deceased Taxpayer Return

A return must be filed for a deceased individual who would have been required to file an income tax return. The personal representative, executor, administrator, legal representative or survivor must sign and file the final return and any other returns still due. Persons, other than a surviving spouse, claiming a refund on behalf of the deceased, must attach form TC-131, Statement of Person Claiming Refund Due a Deceased Taxpayer, to the front of the return. Also, see pages 4 and 16 for additional instructions for deceased taxpayers.

Military Personnel

1. Residents: Utah residents who enter military service do not lose their Utah residency or domicile solely by being absent due to military orders. They still must file a resident Utah income tax return on all income, regardless of the source. If income tax is required to be paid to another state on nonmilitary income, a credit may be allowed for the tax paid to the other state. If taxes are owed to another state, complete and attach form TC-40A, included in this booklet.
2. Nonresidents: Nonresidents stationed in Utah solely due to military orders are not subject to Utah tax on their military pay. However, nonresident personnel or members of their family residing in Utah with earned income from Utah sources, other than active military service pay, are required to file a Utah income tax return and pay any tax due. See instructions on page 9 and Pub 57.
3. Married couples: The spouse of a person in active military service is generally considered to have the military person's domicile and is subject to the same income tax laws and rules that apply to the military person. If one spouse is a full-year Utah resident and the other spouse is a nonresident, the couple may file separate Utah income tax returns, even though they filed a joint federal income tax return. See Special Instructions below and Pub 49.

Special Instructions for Couples

Pub 49 - Special instructions if one spouse is a full-year resident and the other is a non-resident - incometax.utah.gov/forms.php

Couples who qualify to use Special Instructions may file a federal return as married filing joint and file Utah returns as married filing separate. Couples who do not qualify to use Special Instructions must file the Utah return using the same filing status as the federal return.

To file using Special Instructions, one spouse must be a full-year Utah resident and the other spouse must be a nonresident. If either spouse is a part-year resident they cannot file using Special Instructions.

Native Americans

1. Residents: Native Americans who are domiciled and earn income in Utah should file a Utah income tax return.

- Enrolled members of a Native American tribe or nation in Utah, who live and work on the reservation on which they are enrolled, are exempt from Utah income tax on income earned on the reservation. See page 8 for an explanation on how to deduct this income.
 - Enrolled members of the Ute Tribe who work on the Uintah and Ouray Reservation and live on land removed from that reservation under Hagen vs. Utah (510 U.S. 399 (1994)) are exempt from Utah income tax on income earned on the reservation. See page 8 for an explanation on how to deduct this income.
2. **Nonresidents:** Nonresident Native Americans who are not domiciled on a reservation within Utah, but earn income from Utah sources, must file a Utah income tax return and pay any tax due.

Students

1. **Residents:** A Utah resident who is a student at a non-Utah school (full or part-time) is required to file a Utah return and pay tax on all income, regardless of the source. If income tax is required to be paid to another state on income that is also taxed by Utah, a credit may be allowed for the tax paid to the other state. To claim credit for taxes paid to another state, complete and attach form TC-40A, included in this booklet. Do not send a copy of the other state's return. Keep the other state's return and all related documents with your records.
2. **Nonresidents:** A nonresident student who is attending a Utah school is required to file a Utah income tax return and pay Utah tax on income, such as wages, rental income, business income, etc. earned from Utah sources.

Injured Spouse

If your spouse brought prior outstanding Utah tax liabilities into the marriage, any refund may be offset against that liability. You may be entitled to claim a part or all of any refund under the injured spouse provisions. See specific details on our website at tax.utah.gov/billing/innocent.html.

Innocent Spouse

If your spouse omitted income or claimed false deductions or credits for which you did not receive any benefit, you may be entitled to relief from the tax liability. See specific details on our website at tax.utah.gov/billing/innocent.html.

Amended Returns

To amend a previously filed return, use the tax form and instructions for the year you are amending. You can obtain prior year forms and instructions at tax.utah.gov/forms/old.html.

Amend your return promptly if:

- An error is discovered on your Utah or federal return after it has been filed; or
- Your federal return is audited or adjusted by the IRS and the audit or adjustment affects your Utah return. You must amend your Utah return within 90 days of the IRS's final determination. If you are unsure whether or not your Utah taxes are affected by an audit or adjustment, contact the Tax Commission.

Generally, to qualify for a refund or credit, an amended return must be filed within three years following the date the original return was due. A return filed before the due date is considered filed on the due date. If an amended return must be filed based on changes made by the IRS, a claim for refund or credit must be made within two years after a Utah amended return was required to be filed.

How to Amend a 2006 Utah Income Tax Return

- A. Enter on page 1 of the Utah return, in the box titled "For Amended Return - Enter Code" a code number that best corresponds to your **Reason For Amending**. See codes below.

This exemption is limited by the amount of your adjusted gross income plus certain interest income. Complete and attach form TC-40B to determine the retirement exemption allowed.

B. Taxpayers under age 65

Each taxpayer (you, and/or your spouse if filing jointly) who is under 65 at the end of the tax year and received retirement income may qualify for a deduction up to \$4,800, but not in excess of the qualifying income. Attach copies of all forms 1099-R, SSA-1099, TC-40B and other documentation to support this deduction.

1. Qualifying Income

Qualifying income comes in the form of pensions, annuities or taxable retirement social security benefits. To claim the deduction a taxpayer must have earned the qualifying income. A taxpayer cannot use pension, annuity or social

security income of their spouse as qualified income for their deduction. The deduction is limited by adjusted gross income plus certain interest income. Complete form TC-40B to determine the retirement deduction allowed.

For purposes of determining this deduction, pensions, annuities and taxable retirement social security benefits that meet the following criteria are considered to be retirement income:

- Paid from an annuity contract purchased under a plan which has been contributed to by your employer and is not revocable by you as provided under Section 404(a)(2) of the Internal Revenue Code;
- Purchased by an employee under a plan which meets the requirements of Section 408 of the Internal Revenue Code (commonly known as IRA plans);
- Paid by the United States, a state thereof, or the District of Columbia;
- Taxable retirement social security benefits (excluding survivor benefits), only if included in your federal adjusted gross income.

Income **NOT** exempt from Utah state income tax includes:

- Interest or dividends from Federal National Mortgage Association (FNMA) and Government National Mortgage Association (GNMA); and

For further questions about taxability of interest income, you may use the following test developed by the U. S. Supreme Court in *Smith vs. Davis*, 323 U.S. 111 (1944) to determine if the instrument qualifies as a U. S. Government obligation. The instrument must:

1. Be a written document,
2. Bear interest,
3. Contain a binding promise by the U. S. Government to pay a specific sum on a specific date, and
4. Have congressional authorization to pledge the full faith and credit of the United States in support of the promise to pay.

Only interest or dividend income from U. S. Government obligations included in your federal adjusted gross income is exempt from Utah income tax. Before entering an amount, subtract any related expenses claimed as deductions on your federal return, such as interest expense on money borrowed to purchase bonds or securities, or ordinary and necessary expenses paid or incurred in connection with producing exempt income.

Qualifying taxpayers are subject to the following requirements and limitations.

REQUIREMENTS

To qualify, the taxpayer or taxpayer's spouse must not be eligible to participate in a plan offered and funded (fully or partially) by an employer or former employer. A retiree, who may participate in a plan offered and funded (fully or partially) by a previous employer, cannot take this

deduction. Employees who elect not to participate in a plan offered and funded by an employer or former employer cannot claim a deduction. Pre-tax deductions from wages through employer-sponsored programs, such as a cafeteria or flex plan, cannot be claimed as a deduction.

LIMITATIONS

Qualified taxpayers who meet the requirements above may have their deduction limited by:

A long-term care insurance policy includes group and individual annuities and life insurance policies or riders that provide or supplement long-term care insurance. federal adoption credit. Qualified adoption expenses may be deducted, even if the adoption process is terminated.

This deduction applies to the actual qualified adoption expenses of the birth mother, the legal guardian of the birth mother (or another acting on behalf of the birth mother), or the adoptive parents. Expenses include:

- Any medical and hospital expenses of the birth mother of the adopted child incidental to the child's birth;
- Living expenses of the birth mother if paid by the adoptive parents as part of their adoption expenses;
- Actual travel costs incurred exclusively for the purpose of completing adoption arrangements; and
- Any welfare agency, child placement service, legal and other fees or costs relating to the adoption.

Keep all records, forms and worksheets to support your deduction.

If amounts derived from sources other than railroad retirement are included on lines 16b and/or 20b of federal form 1040, or lines 12b and/or 14b of federal form 1040A, only deduct the railroad retirement amounts reported on these lines.

TIP If you choose to deposit your refund directly into your account, you will not receive a check in the mail.

If you want your refund deposited directly into your checking or savings account, enter your financial institution's routing number and your account number.

The check example below indicates where the routing and checking account numbers are located on your check. If needed, contact your financial institution and they can provide this information to you.

If for any reason your financial institution rejects your request for direct deposit, you will receive a check by mail instead of direct deposit.

You cannot use Direct Deposit if you are AMENDING a return.

Completing The Return

Signature

You must sign the return. If the return is a joint return, both husband and wife must sign.

Signature For Deceased

If your spouse died during 2006 or 2007, prior to filing, and you are filing a joint return, write "DECEASED" in the signature block for your spouse. See additional instructions on pages 2 and 4. *If you are not a surviving spouse, attach form TC-131.*

Attachments to Return

Include with your TC-40 ONLY the following:

- Withholding forms showing Utah withholding, i.e., W-2, 1099-R, 1099-MISC, TC-675R, etc.;
- Utah schedules TC-40A, TC-40B, TC-40C, and/or TC-40S, if applicable;
- An explanation of any other adjustment entered on Schedule S, Part 1, using code 69 or Part 2, using code 79.

Do not send a copy of your federal return, credit schedules, worksheets or other documents. Keep these with your tax records.

Third Party Designee

If you want to allow a friend, family member or other person to discuss your 2006 Utah tax return with the Tax Commission, enter the party's name and telephone number in the Third Party Designee area on page 2 of your Utah return. Also, a number (up to 9 digits) the designee chooses as his or her personal identification number (PIN) should be entered where indicated. If you want to designate the paid preparer who signed your return as the Third Party Designee, enter "Preparer" in the space for the designee's name.

If you make entries in the Third Party Designee area, you, and your spouse if filing a joint return, are authorizing the Tax Commission to call the designee to answer any questions that may arise during the processing of your return. You are also authorizing the designee to:

- Give the Tax Commission any missing information from your return;
- Call the Tax Commission for information about the processing of your return or the status of your refund or payment(s);
- Receive copies of notices or transcripts related to your return, upon request; and
- Respond to certain Tax Commission notices about math errors, offsets and return preparation.

You are not authorizing the designee to receive any refund, bind you to anything (including any additional tax liability), or otherwise represent you before the Tax Commission. If you want to expand the designee's authorization, complete and submit to the Tax Commission form TC-737, Power of Attorney and Declaration of Representative. Form TC-737 is available on our website at tax.utah.gov/forms.

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2007 tax return. This is April 15, 2008 for most people. If you wish to revoke the authorization before it ends, submit your request in writing to the Utah State Tax Commission, attention Taxpayer Services, 210 N 1950 W, SLC, UT 84134.

Paid Preparer

The paid preparer must enter his or her name, address, and social security number or PTIN in the section below your signature on the return.

Preparer Electronic Filing Requirements (UC §59-10-514.1)

Beginning with the 2005 return filing period, if a preparer (or two or more preparers affiliated together in the same establishment) prepared 101 or more returns in the prior calendar year, the preparer(s) must submit all their Utah individual income tax returns electronically or using 2-D bar code technology. Exceptions apply for taxpayers who elect out of electronic filing or using 2-D technology and for undue hardship on the preparer in conforming to this provision.

Preparer Penalties: The person who prepares, presents, procures, advises, aids, assists or counsels another on a return, affidavit, claim or similar document administered by the Tax Commission, and who knows or has reason to believe it may understate a tax, fee or charge is subject to both a civil penalty (\$500 per document) and criminal penalties (second degree felony with a fine from \$1,500 to \$25,000). See Utah Code §59-1-401(9) and (10) for specific details.
