

General Information

- Utah Code Section 59-13-301(9) allows federal and Utah state and local government entities to file for a refund of Utah taxes paid on undyed diesel fuel purchased for government use. For purposes of this law, diesel fuel is defined as any liquid commonly used as a fuel in a diesel engine.
- This refund applies only to diesel fuel purchased for the government's official and exclusive use in government vehicles, aircraft, and equipment. Sale or delivery to individuals or to other businesses operating under government contract, personal use, for retail sale on or off government property or any other distribution to third parties do not qualify for this refund.
- Refund claims for Special Fuel taxes paid may be filed within 30 days after the end of any calendar quarter, for taxes accumulated for that calendar quarter.
- If you need additional help or information, contact the Utah State Tax Commission at (801) 297-2200 or, if outside the Salt Lake area but within Utah, call 1-800-662-4335.
- Original records supporting the refund claim must be maintained by the government entity for three years following the year of refund.
- To file for a refund, mail or bring this refund form to the Utah State Tax Commission, 210 North 1950 West, Salt Lake City, Utah 84134.

Instructions For Completing This Form

- Enter the full name, address, and Federal Identification Number of the government entity applying for the refund in the space provided. Use this same name and number whenever you file for a refund.
- You must provide all information requested on this form for each purchase of undyed diesel fuel for which you paid Utah diesel fuel taxes. Attach additional forms if necessary.
