STATEMENT OF THE CASE

The Division issued an assessment notice to Petitioner, assessing cigarette and use tax on purchases of untaxed cigarettes that were delivered to Petitioner in Utah during the period of December 16, 2004 to February 26, 2005. The cigarette tax assessment is in the amount of \$\$\$\$\$ (including \$\$\$\$\$ in interest), and the use tax assessment amounts to \$\$\$\$\$ (including \$\$\$\$\$ in interest). No penalty was assessed. Petitioner filed an appeal of the assessment and requested a hearing on the record. Therefore, the Division was instructed to put its case in writing so it can be considered as part of the record.

APPLICABLE LAW

Cigarette Tax

Utah law imposes a cigarette tax on “the sale, use, storage or distribution of cigarettes in the state.” Utah Code §59-14-204. Typically, cigarettes distributed for sale in Utah are affixed with a cigarette stamp on each pack, which indicates that the tax has been paid by the manufacturer, distributor or vendor. Utah Code §59-14-205. When a purchaser causes untaxed cigarettes to be delivered into the state, that purchaser must file a statement and pay the tax directly to the Tax Commission within 15 days. Utah Code §59-14-303 (3) and Utah Admin. Rules R865-20T-1 and R865-20T-2.

Use Tax

Utah law imposes sales and use tax on retail sales in Utah. Utah Code §59-12-103(1). Utah vendors and

Appeal No. 05-1387

some out-of-state vendors are required by law to collect Utah sales tax on behalf of the Tax Commission on each Utah sale. However, if the seller does not collect the tax on items sold and delivered into Utah, the purchaser is required to accrue and remit use tax directly to the Tax Commission on his or her individual income tax return. Utah Code §59-12-107(1) (d); Utah Admin. Rule R865-21U-3; and Utah Admin. Rule R865-21U-6.

#### Penalties and Interest

If the purchaser fails to report and pay any tax due within the prescribed time period, the Commission may assess the tax, plus interest and penalties. Interest runs from the date that the tax was due. Utah Code §59-1-204 (5).

#### DISCUSSION

Under federal law, the Jenkins Act, COMPANY is required to report its Utah internet sales. Upon receiving that report and identifying the Petitioner's untaxed cigarette purchases, the Division issued an assessment for the unpaid cigarette tax and the unpaid use tax on each transaction. Petitioner does not deny that he made these purchases. He indicates that thought cigarette tax applied to sales by the carton. In any event, Petitioner states that the assessment imposes a financial burden on him.

#### DECISION AND ORDER

The Tax Commission has very little latitude to waive tax and interest that is due under Utah law. It has liberal authority to waive penalties, but no penalties were imposed in this case. Therefore, the Commission affirms the assessment. Petitioner may my contact TAX COMMISSION EMPLOYEE of the Taxpayer Services Division (#####) to discuss payment arrangements or an Offer in Compromise.

Regarding the use tax on purchases from January 1, 2005 to February 21, 2005, payment of this assessment satisfies Petitioner's obligation for that tax and he need not declare the use tax for these purchases on her 2005 income tax return.

This decision does not limit a party's right to a Formal Hearing. However, this Decision and Order will become the Final Decision and Order of the Commission unless any party to this case files a written request within
