December 13, 2024

Dear Commissioner Valentine,

I am writing to respectfully request an additional extension on the deadline for the Davis County Board of Equalization pursuant to Utah Code §59-2-1004. Due to the large number of appeals, we were unable to complete the appeals filed on or before September 15<sup>th</sup> by December 15<sup>th</sup>, 2024 to the required standard within the original timeframe.

We have made significant progress on the 2024 Appeals, and with an extension of 30 days to January 15, 2025, I am confident in being able to complete all appeals that were filed on or before September 15, 2024.

I apologize for any inconvenience this may cause and appreciate your consideration of this request. Please let me know if you require any further information.

Sincerely,

Curtis Koch
