DMV NOTICE

Salt Lake City, Utah -- To comply with the Governor's directive, the Division of Motor Vehicle (DMV) continues to make adjustments to serve the citizens of Utah.

Many transactions and services including the following, may be completed by mail, email or by calling the DMV.

- duplicate registration
- decal replacement
- plate replacement
- renewals for vehicles expired over six months

All DMV contact methods and information is available at dmv.utah.gov.

Due to the limitations imposed by social distancing, DMV office lobbies are currently closed. Many offices continue to process mail and accept appointments for emergency service. The four offices that operate a drive-through service have extended weekday hours and added Saturday hours. See this site for details: dmv.utah.gov.

Again, we remind Utah citizens that most renewal transactions can and should be completed either:

- online at rex.utah.gov or
- at an on the spot station (visit spot.utah.gov for locations).

Please expect additional processing time due to COVID-19 conditions.
