DMV South Salt Lake Office Reopening

The Division of Motor Vehicle (DMV) announced today that the DMV Office located at 2880 South 380 West, South Salt Lake will reopen Wednesday, June 24, 2020. The office was closed on June 15 to reduce the possible spread of COVID-19 after an employee tested positive. “The office has been deep cleaned, sterilized and no other employees have received positive tests” reported Monte Roberts, Division Director.

Director Roberts also reminds the public that “all customers visiting the office are required to schedule an appointment to enter the lobby and that DMV will not process new title and registration transactions in the office drive-through”.

Many motor vehicle actions can be completed online. However, for customers that are not able to process their motor vehicle transactions online and need to visit the South Salt Lake office, or other Wasatch Front DMV offices, an appointment will be required.

To schedule an appointment please visit our website: [DMV.UTAH.GOV](https://dmv.utah.gov)

DMV operations will continue to be adjusted as we navigate the safest and most efficient ways to serve our customers. Masks are not required but are strongly suggested to protect the health of the staff and public. Precautions continue to be made to limit person-to-person contact and limit the size of public gatherings while continuing to provide necessary services.

DMV office access and services will vary depending on office location and staffing available.

For up-to-date information regarding your local DMV office status, please visit our website: [DMV.UTAH.GOV](https://dmv.utah.gov)
