### DMV South Valley Office Reopening Monday

*Salt Lake City, Utah* - The Division of Motor Vehicle (DMV) announced today that the DMV Office located at 14555 South Minuteman Drive, Draper, will reopen Monday, July 20, 2020. The office was closed on July 13, to reduce the possible spread of COVID-19 after an employee tested positive. “The office has been deep cleaned, sterilized and employees have been cleared to return to work” reported Monte Roberts, Division Director.

Director Roberts also reminds the public that many motor vehicle needs can be met by DMV online services. However, for customers that are not able to process their motor vehicle transactions online and need to visit the South Valley office, or other Wasatch Front DMV offices, an appointment will be required.

**To schedule an appointment please visit our website: [DMV.UTAH.GOV](https://www.dmv.utah.gov)**

Customers coming to a DMV office that will be paying with cash are encouraged to be prepared to pay with exact change. In a strange side effect of COVID-19, obtaining large amounts of change from banks has become difficult, affecting our ability to give exact change with cash payments.

DMV operations will continue to be adjusted as we navigate the safest and most efficient ways to serve our customers. As mandated by the Governor’s Executive Order for state facilities, face coverings are required to protect the health of the staff and public. Precautions continue to be made to limit person-to-person contact and limit the size of public gatherings while continuing to provide necessary services.

DMV office access and services will vary depending on office location and staffing available. **For up-to-date information regarding your local DMV office status, please visit our website: [DMV.UTAH.GOV](https://www.dmv.utah.gov)**
