General Instructions for TC-65

What's New?

- **Interest Rate:** The Utah interest rate for the 2006 calendar year is **6 percent**. See page 1.
- **Partnership Filing Requirements:** For taxable years ending after June 6, 2005, a partnership, LP, LLP or LLC, all of whose partners or members are Utah resident individuals, is no longer required to file a TC-65, Utah Partnership Return. The filing requirement is considered met if records are maintained showing each partner's or member's share of income, losses, credits, and other distributive items, and such records are made available to the Tax Commission upon request. Partnerships, LPs, LLPs and LLCs whose partners or members are not ALL Utah resident individuals are still required to file the TC-65 if they have income derived from sources within Utah.

Partnership Changes

Partnership changes (e.g. name change, physical and/or mailing address changes, or ceasing to do business in Utah) must be reported in writing to:

Master File Maintenance
Utah State Tax Commission
210 N 1950 W
SLC, UT 84134-3310

Rounding Off to Whole Dollar Amounts

Round off cents to the nearest whole dollar. Round down if cents are under 50 cents; round up if cents are 50 cents and above. **Do not enter cents anywhere on the return.**

Where To File

Send the partnership return, along with any payment, to:

Utah State Tax Commission
210 N 1950 W
SLC, UT 84134-0270

Due Date

A return must be filed on or before the 15th day of the fourth month following the close of the fiscal year, or by April 15th for a calendar year business. If the due date falls on a Saturday, Sunday or legal holiday, the due date becomes the next business day.

Filing Extension

Partnerships, LPs, LLPs and LLCs are automatically allowed an extension of up to six months to file a return without filing an extension form. **This is an extension of time to file the return – NOT an extension of time to pay taxes.** To avoid penalty and interest, the prepayment requirements must be met on or before the original return due date and all returns must be filed within the six-month extension period.

Extension Prepayments

The required extension prepayment must equal 90 percent of the current year's tax liability, or 100 percent of the previous year's tax liability. Typically, partnerships, LPs, LLPs and LLCs that make estimated prepayments using form TC-559 will have complied with the 90-percent requirement and may not need to make additional prepayments to avoid extension penalties.

Penalties

Utah law provides for uniform tax penalties for failure to file tax returns, failure to pay tax due, and failure to file information returns or supporting schedules.

The penalty for **failure to file a tax due return** by the due date is the greater of \$20 or 10 percent of the unpaid tax.

The penalty for **failure to pay tax due** as reported on a timely filed return, or within 30 days of a notice of deficiency, is \$20 or 10 percent of the unpaid tax, whichever is greater. If a tax balance is still unpaid 90 days after the due date on a late filed return, a second penalty of \$20 or 10 percent of the unpaid tax, whichever is greater, will be added for failure to pay timely.

The penalty for **underpayment of the extension prepayment** is 2 percent per month of the unpaid tax during the extension period. If the return is not filed by the extension due date, failure to file and failure to pay penalties will apply as if the extension had not been granted.

The penalty for **failure to file an information return** or a complete supporting schedule is \$50 for each return or schedule up to a maximum of \$1,000.

For a list of additional penalties that may be imposed, refer to UC §59-1-401 and Pub 58.

Interest

Interest will be assessed at the rate prescribed by law from the original due date until any outstanding liability is paid in full. The interest rate for most taxes and fees administered by the Tax Commission for the 2006 calendar year is **6 percent**.

Pub 58, which contains applicable interest rates, is available on the Internet at tax.utah.gov/forms or by calling or writing the Tax Commission.

Amended Returns

To amend a previously filed return, use the tax form and instructions for the year you are amending. You can obtain prior year forms and instructions at tax.utah.gov/forms.

An amended return should be filed promptly if:

- An error is discovered on your Utah or federal return after it has been filed; or

- Your federal return is audited or adjusted by the IRS and the audit or adjustment affects your Utah return. You must report such changes or corrected income within 90 days of the IRS's final determination.

To amend a previously filed return, enter on page 1 of the Utah return in the box titled "For Amended Return – Enter Code" a code number that best corresponds to the REASON FOR AMENDING. See codes below.

Reason-for-Amending Codes

- 1 You filed an amended return with the IRS (attach a copy of your amended federal return).
- 2 You made an error on your Utah return (attach an explanation of the adjustment made).
- 3 Federal audit adjustments, which resulted in changes in federal taxable income, were issued and became final (attach a copy of the IRS adjustment).
- 4 Other (attach explanation to return).

Complete the return by entering the corrected figures. Enter all other amounts as shown on your original return. If you received a refund on your original Utah return, enter the amount of the refund on line 13 of the 2005 amended return. If you paid tax with the original return or made subsequent payments of the tax prior to filing the amended return, include the total previous payments on line 15 of the 2005 amended return.

Partnership/LP/LLP/LLC Not Subject to Tax

A partnership/LP/LLP/LLC is not subject to Utah income tax. Partners/members conducting business are liable for Utah income tax in their separate or individual capacities. However, a partnership/LP/LLP/LLC may file a composite income tax return and pay tax on behalf of individual nonresident partners/members that meet certain conditions. See Composite Filing on page 3.

Federal Taxable Income

Utah law defines federal taxable income as "taxable income as currently defined in Section 63, Internal Revenue Code, 1986." Since Utah's taxable income is based on the federal taxable income, a partner's ability to carry forward and carry back partnership losses is determined on the federal level. The loss taken by a partner in a given year must match the loss taken on the federal return. Losses cannot be independently carried back and carried forward in any given year on the partner's Utah return.

Character of Partnership/LP/LLP/LLC Items

1. Each item of partnership/LP/LLP/LLC income, gain, loss or deduction has the same character for a partner/member as it has for federal income tax purposes. When an item is not characterized for federal income tax purposes, it has the same character for a partner/member as if realized directly from the source realized by the partnership/LP/LLP/LLC, or incurred in the same manner as incurred by the partnership/LP/LLP/LLC.

2. In determining Utah taxable income of a partner/member, any modification (such as U.S. government bond interest) that relates to an item of the partnership/LP/LLP/LLC income, gain, loss or deduction shall be made in accordance with the partner's/member's distributive share for federal income tax purposes, of the items to which the modification relates. Where a partner's/member's share of any such item is not required to be taken into account separately for federal income tax purposes, the partner's/member's distributive share of such item shall be determined in accordance with his distributive share for federal income tax purposes of partnership/LP/LLP/LLC income or loss generally.
3. Where a partner's/member's distributive share of an item of partnership/LP/LLP/LLC income, gain, loss or deduction is determined for federal income tax purposes by a special provision in the partnership/LP/LLP/LLC agreement with respect to such item, and where the principal purpose of such provision is the avoidance or evasion of tax, the partner's/member's distributive share of such item and any modification with respect thereto shall be determined as if the partnership/LP/LLP/LLC agreement made no special provision with respect to that item.

Nonresident or Part-year Resident Share of Partnership/LP/LLP/LLC Items

1. In determining the adjusted gross income of a nonresident partner/member of any partnership/LP/LLP/LLC, there shall be included only that part derived from or connected with sources in Utah of the partner's/member's distributive share of items of partnership/LP/LLP/LLC income, gain, loss or deduction entering into the partner's/member's federal adjusted gross income. (The Utah portion may be shown alongside the total for each item amount as an attachment to the return.)
2. In determining the sources of a nonresident partner's/member's income, the following conditions apply.
 - a. No consideration will be given to a provision in the partnership/LP/LLP/LLC that characterizes payments to the partner/member as being for services or for the use of capital, or allocates to the partner/member, as income or gain from sources outside Utah, a greater portion of his distributive share of partnership/LP/LLP/LLC income or gain than the ratio of partnership/LP/LLP/LLC income or gain from sources outside Utah to partnership/LP/LLP/LLC income or gain from all sources, except as provided in 5 below;
 - b. No consideration will be given to a provision in the partnership/LP/LLP/LLC that allocates to the partner/member a greater portion of a partnership/LP/LLP/LLC item, loss or deduction connected with sources in Utah than his proportionate share, for federal income tax purposes, of partnership loss or deduction generally, except as provided in 5 below;

3. Any modification (such as for U.S. government bond interest) that relates to an item of partnership/LP/LLP/LLC income, gain, loss, or deduction, shall be made in accordance with the partner's/member's distributive share for federal income tax purposes of the item to which the modification related, but limited to the portion of such item derived from or connected with sources in Utah;
4. A nonresident partner's/member's distributive share of items of income, gain, loss or deduction shall be determined as provided in Character of Partnership/LP/LLP/LLC items, paragraphs 1 and 2. The effect of a special provision in a partnership/LP/LLP/LLC agreement, other than a provision referred to in 3 above, having as a principal purpose the avoidance or evasion of tax, shall be determined as provided in Character of Partnership/LP/LLP/LLC Items, paragraph 3; and
5. The Utah State Tax Commission may, on application, authorize the use of other methods of determining a nonresident partner's/member's portion of a partnership/LP/LLP/LLC item derived from or connected with sources in Utah, and the modification related thereto, as may be appropriate and equitable, on such terms and conditions as it may require.

Mineral Producers or Payers

If the partnership/LP/LLP/LLC is a producer or other person paying proceeds in connection with mineral properties located within Utah, the partnership/LP/LLP/LLC must report to each partner/member the partner's/member's share of mineral production withholding tax withheld and remitted to the Utah State Tax Commission. The producer must furnish a copy of form TC-675R to the recipients. The recipient will take credit against the tax for the amount withheld and attach a copy to their Utah individual income tax return, fiduciary tax return or corporation tax return. The recipient must retain a copy for verification of the amounts of tax withheld by the producer.

If the partnership/LP/LLP/LLC is the recipient of proceeds in connection with mineral properties located within Utah, the partnership/LP/LLP/LLC should attach a copy of form TC-675R to the partnership/LP/LLP/LLC return. The amounts withheld are allocated to each partner/member in proportion to each partner's/member's share of income and should be shown on the federal form 1065, Schedule K-1.

Nonresident Partner's Income

Complete Schedule A to determine the Utah income amount for non-resident partners. If the partnership does business both within and outside of Utah, the portion of the nonresident partnership income attributable to Utah is determined by completing Schedule B and then Schedule A.

Modifications

Modifications may be needed to determine the Utah taxable income of a partner/member. See Character of Partnership/LP/LLP/LLC Items and Nonresident or Part-year Resident Share of Partnership/LP/LLP/LLC Items.

Composite Filing

Partnerships/LPs/LLPs/LLCs may file a composite income tax return (lines 7 through 17 of form TC-65) on behalf of individual nonresident partners/members that meet the following conditions:

1. Only individual nonresident partners/members with no other income from Utah sources may be included on the composite return. Nonresident members included on the composite return may not file a separate Utah individual income tax return. Resident partners/members may not be included on lines 7 through 17 of the return.
2. Schedule N must be included with the return. The schedule shall list the information indicated for all individual nonresident partners/members included in the composite filing.
3. If individual nonresident partners/members have other sources of Utah income or are entitled to any Utah credits, they cannot be included in the composite filing. Those partners/members must file a Utah individual income tax return to claim their credits.

Tax on a Composite Return

The tax on a composite return shall be computed using the maximum tax rate applied to Utah taxable income attributable to Utah sources after allowing the following:

1. A deduction equal to 15 percent of the Utah taxable income attributable to nonresident partners/members included in the composite filing (form TC-65, line 9);
2. No deductions shall be allowed for standard or itemized deductions, personal exemptions, federal tax determined for the same period, or any other deductions except as specified in 1; and
3. Credits, other than prepayments, cannot be claimed on the TC-65. Partners/members must file their own Utah individual income tax returns to claim any credits. Nonresident partners/members who are eligible to claim Utah credits may not be included on a composite return.

Schedules for Partner/Member Information

List all general partner/member information on form TC-65, Schedule G.

List all limited partner/nonmanaging member information on form TC-65, Schedule L.

Additional copies of these schedules may be photocopied or printed from our web site at tax.utah.gov/forms.

Signature

In the case of a partnership, LP or LLP, a general partner must sign the return. In the case of an LLC, a member must sign the return, or if the LLC has vested management in a manager or managers, a manager must sign the return. If receivers, trustees in bankruptcy, or assignees are operating the property or business of the partnership/LP/LLP/LLC, then the receiver, trustee, or assignee must sign the return.

Paid Preparer Authorization

If the partnership/LLP/LLC wants to allow the Tax Commission to discuss their 2005 return with the paid preparer who signed it, enter an "X" in the box on the right side of the signature area of the return where indicated. This authorization applies only to the individual whose signature appears in the Paid Preparer Section of the return. It does not apply to the firm, if any, shown in that section. If you enter an "X" in the box, the partnership/LLP/LLC is authorizing the Tax Commission to call the paid preparer to answer any questions that may arise during the processing of the return. The paid preparer is also authorized to:

- Give the Tax Commission any information that is missing from the return,
- Call the Tax Commission for information about the processing of the return or the status of any refund or payment(s), and
- Respond to certain Tax Commission notices about math errors, offsets, and return preparation.

The partnership/LLP/LLC is not authorizing the preparer to receive any refund, bind the entity to anything (including any additional tax liability), or otherwise represent the entity before the Tax Commission. If the entity wants to expand the preparer's authorization, complete and submit to the Tax Commission form TC-737, Power of Attorney and Declaration of Representative. Form TC-737 is available on our website at tax.utah.gov/forms.

The authorization will automatically end no later than the due date (without regard to extensions) for filing the entity's 2006 tax return. If you wish to revoke the authorization before it ends, submit your request in writing to the Utah State Tax Commission, attention Taxpayer Services, 210 N 1950 W, SLC, UT 84134.

Paid Preparer

The paid preparer must enter his or her name, address, and social security number or PTIN in the section below the general partner/member's signature on the return.

Preparer Penalties

The person who prepares, presents, procures, advises, aids, assists or counsels another on a return, affidavit, claim or similar document administered by the Tax Commission, and who knows or has reason to believe it may understate a tax, fee or charge is subject to both a civil penalty (\$500 per document) and criminal penalties (second degree felony with a fine from \$1,500 to \$25,000). See Utah Code Sections 59-1-401(9) and (10) for specific details.

Tax Due on Composite Return

If you owe tax on a composite return, the payment may be sent electronically or paid by check. To pay electronically, see Payment Options below.

Payment Options

You may pay any tax due online with a credit card or an electronic check (ACH debit) from your checking account. You may pay in full or make partial payments throughout the year. Each online payment is subject to a service fee.

To pay online, access PaymentExpress (paymentexpress.utah.gov) and follow the step-by-step instructions.

You may also mail in your check or money order payable to the Utah State Tax Commission with your return. Be sure to write the partnership/LP/LLP/LLC employer identification number, daytime telephone number and "2005TC-65" on your check. **DO NOT STAPLE check to return.** Remove the check stub before sending. **DO NOT MAIL CASH with your return.** The Tax Commission assumes no liability for loss of cash placed in mail.

Mail your return, and payment if applicable, to the Utah State Tax Commission, 210 N 1950 W, SLC, UT 84134-0270. If mailing your payment separate from your return, include form TC-544, but do **NOT** send another copy of your tax return with your payment. Doing so may delay posting of your payment.

ALLOW AT LEAST 90 DAYS FOR YOUR RETURN TO BE PROCESSED.

Penalty and Interest

Penalty and interest, if applicable, will be billed. Penalty and interest charges are explained in the Penalties and Interest instructions on page 1.

Payment Agreement Request

If you owe tax and are unable to pay all or a portion of the amount owed, you may request a payment agreement by completing form TC-804B, Payment Agreement Request. The form can be obtained at tax.utah.gov/forms. If approved, you will receive a letter confirming the acceptance of your request.

A payment agreement does not stop the accrual of penalty and interest. If you do not pay in full by the return due date, whether or not you request a payment agreement, any balance due will be subject to penalty and interest.

If you do not submit a payment agreement request form, a billing notice for the full amount due, including penalty and interest, will be mailed to you. Upon receiving this notice, you must pay the total amount due, or request a formal payment agreement by completing and mailing form TC-804B or calling (801) 297-7703 or 1-800-662-4335 ext. 7703.

Payments may be submitted prior to approval of the payment agreement request or billing notice, per the instructions above.

Additional Information

Additional information concerning Utah income tax requirements as they affect partnerships/LPs/LLPs/LLCs and partnership/LP/LLP/LLC returns are contained in the Utah Code and the rules of the Utah State Tax Commission.

Instructions for TC-65, Schedule A

Use Schedule A to determine the Utah amounts for nonresident partners. If the partnership does business both within and outside of Utah, the portion of the nonresident partnership income attributable to Utah is determined by completing Schedule B prior to Schedule A.

Lines 1-11 and 13 –17

Enter income, losses and deductions that are directly passed through to the partners as shown on federal Schedule K. Lines 1 through 11 and 13 through 17 of this form reference the line from federal Schedule K where the passthrough income or deductions can be found.

Line 12 - Total Income

Add lines 1 through 11. Enter the total on line 12.

Line 18 - Total Deductions

Add lines 13 through 17. Enter the total on line 18.

Line 19 - Net Partnership Income

Subtract line 18 from line 12. Enter the amount on line 19.

Line 20 - Interest from U.S. Government Obligations

See Pub 33, U.S. Government Obligations, available at tax.utah.gov/forms. Enter the amount on line 20, if included in line 5 above.

Line 21 - Net Income Subject to Apportionment

Subtract line 20 from line 19. Enter the amount on line 21.

Line 22 - Apportionment Fraction

Enter on line 22 100%, or the fraction calculated on Schedule B, line 7, if applicable.

Line 23 - Utah Income Amount

Multiply line 21 by line 22. Enter the total on line 23. Use this total as the amount to enter on line 5 of the partnership form, TC-65.

Instructions for TC-65, Schedule B

Use Schedule B to calculate the portion of the nonresident partnership income attributable to Utah, if the partnership does business both within and outside of Utah.

Determine the apportionment fraction by completing this schedule. The factors express a ratio for tangible property, wages and salaries, and for sales in Utah compared to overall tangible property, wages and salaries, and sales. Add the factors for these elements together and divide by the number of factors present (typically 3) to arrive at the Utah apportionment fraction calculated to **six decimals**. Apply this fraction to the net income (or loss) to arrive at the amount of income (or loss) apportioned to Utah. In

cases where one or more of the factors are omitted due to peculiar aspects of the business operations, divide by the number of factors present.

Briefly describe the nature and location(s) of your Utah business activities in the space provided at the top of this schedule.

Lines 1a — 1e - Tangible Property

Show the average cost value during the taxable year of real and tangible property used in the business within Utah (including leased property) in column A and overall (including Utah) in column B.

Property owned by the partnership/LP/LLP/LLC is valued at its original cost. Property rented by the partnership/LP/LLP/LLC is valued at eight times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the partnership/LP/LLP/LLC less the annual rental rate received by the partnership/LP/LLP/LLC from subrentals.

The average value of property must be determined by averaging the cost values at the beginning and ending of the tax period. However, monthly values may be used or required if monthly averaging more clearly reflects the average value of the partnership/LP/LLP/LLC's property.

A supporting schedule should be attached whenever monthly averaging is used.

Line 2 - Total Tangible Property

Enter totals of lines 1a through 1e in the respective columns.

Line 2a - Property Fraction

Determine the property fraction by dividing line 2, column A by line 2, column B.

Line 3 - Wages, Salaries, Commissions, and Other Compensation

Wages, salaries, commissions, and other includable compensation paid to employees for personal services must be included in the Utah factor to the extent that the services, for which the compensation was paid, were rendered in Utah.

Compensation is paid in Utah if:

1. The individual's service is performed entirely within Utah;
2. The individual's service is performed both within and outside Utah, but the service performed outside Utah is incidental to the individual's service within Utah; or
3. Some of the service is performed in Utah and
 - a. the base of operation, or if there is no base of operation, the place from where the service is directed or controlled, is within Utah, or
 - b. the base of operation or the place where the service is directed or controlled is not in any state where some part of the service is performed, but the individual's residence is in Utah.

Amounts reportable for employment security purposes may ordinarily be used to determine the wage factor.

Overall wages, including Utah, are listed in column B.

Line 3a - Wages Fraction

Determine the wages fraction by dividing line 3, column A by line 3, column B.

Lines 4a — 4g - Gross Receipts from Business

The sales factor is the fraction the sales or charges for services within Utah for the taxable year bear to the overall sales for the taxable year. Gross receipts from the performance of services are in Utah to the extent the services are performed in Utah.

Sales of tangible personal property are in Utah if the property is delivered or shipped to a purchaser within Utah regardless of the F.O.B. point or other conditions of the sale, or if the property is shipped from an office, store, warehouse, factory, or other place of storage in Utah and (1) the purchaser is the United States government, or (2) the partnership/LP/LLP/LLC is not taxable in the state of the purchaser.

Overall sales, including Utah, are listed in column B.

Nexus definition: The jurisdictional link that must be present before a state may tax a partnership upon its activities within a state's borders.

Line 5 - Total Sales and Service

Enter totals of lines 4a through 4g in their respective columns.

Line 5a - Sales Fraction

Determine the sales fraction by dividing line 5, column A by line 5, column B.

Line 6 - Total Fraction

Enter total of lines 2a, 3a and 5a.

Line 7 - Apportionment Fraction

Calculate the apportionment fraction to six decimals by dividing line 6 by the number of factors used (typically 3 - property, wages, and sales). If one or more of the factors are not present (i.e., there is a zero represented on lines 2, 3 or 5 in column B), divide by the number of factors present. Enter the apportionment fraction here and on Schedule A, line 22.

Specialized Apportionment Rules

Specialized apportionment rules apply for:

- Trucking Companies (R865-6F-19)
- Railroads (R865-6F-29)
- Publishing Companies (R865-6F-31)
- Financial Institutions (R865-6F-32)
- Telecommunication (R865-6F-33)
