Instructions for TC-62M Schedule B

General Instructions

Use this schedule to report combined state and local sales and use taxes for non-food and prepared-food sales by the following businesses:

1. vending machine operators;
2. vendors who sell from a mobile inventory;
3. sellers with established Utah sales tax nexus who sell goods and services shipped from outside Utah direct to consumers in Utah for storage, use or other consumption in Utah;
4. construction contractors and others who store, use or consume tangible personal property at various places in Utah other than at a fixed place of business;
5. vendors who charge admissions or fees for entertainment, recreation, exhibition, cultural or athletic activity;
6. vendors who clean, wash, dry clean, repair or renovate tangible personal property;
7. vendors who lease or rent tangible personal property to customers; and
8. vendors who sell goods and services that are shipped from outside Utah directly to Utah consumers for storage, use or other consumption in Utah.

Do not use this schedule to report sales made from a fixed place of business in Utah or to report taxable purchases of tangible personal property for your own storage, use or consumption at a fixed business location. Those purchases must be reported on form TC-62M, line 4, and on Schedule A.

Attach the original of this schedule to your return. Make a copy for your records.
