Application for Sales Tax Simplified Electronic Return Software Certification

TC-101
Rev. 4/17

This form is for the certification of sales tax simplified electronic return (SER) software development **ONLY**.

Please email completed form to **SST@utah.gov** with the phrase "Security Request" in the subject line. You will be provided with a TESTING user ID and password either by phone or email.

The software used to create and transmit TEST submissions must pass all Utah State Tax Commission software certification requirements.

Upon successful certification, you will be provided with a PRODUCTION user ID and password. Software containing the credentials provided by the Utah State Tax Commission can then be used to transmit production SER submissions to the SST Web Service.
