Individuals receiving Payments through Partnerships, S Corporations and Trusts

If production payments and Utah tax withheld are distributed to you by a partnership, S corporation or trust, a Utah Schedule K-1 (instead of a form TC-675R) should be furnished by the partnership, S corporation or trust showing your allocated share of these amounts.

TC-65 - Utah Partnership Return, TC-20S - Utah S Corporation Tax Return, and TC-41 - Utah Fiduciary Tax Return

If you are a Utah partnership, a Utah S corporation, or a Utah fiduciary, and you received a TC-675R or a Utah Schedule K-1 with a credit for Utah tax withheld on mineral production, the credit must be distributed on the Utah Schedule K-1 you send to your partners, shareholders, or beneficiaries. Also list the withheld tax credit on TC-250 and attach the form to your partnership, S corporation, or fiduciary return when filing. Do not issue a separate form TC-675R to show these amounts. Only producers licensed with the State of Utah for mineral production tax withholding may issue form TC-675R.

Producers Who are Partnerships, S Corporations or Trusts

If you are a mineral producer and withhold tax amounts that are distributed to partners, shareholders or beneficiaries, you must furnish a Utah TC-675R to each partner, shareholder or beneficiary recipient showing their share amounts of production payments and Utah tax withheld. Issue separate forms TC-675R to each recipient to show these amounts.

Utah Mineral Production Gross Payment Not Subject to Utah Withholding Tax

The amount shown in box 7 is the amount of the payment made to a recipient that would have been subject to Utah withholding had the recipient not filed an exemption certificate in accordance with UC Section 59-6-102.1.
