**Calculate Sales Tax**

Calculate the sales tax by completing the section below. Verify the purchase price by providing a copy of the sales contract. Your sales tax rate depends on where your aircraft is based. You can find sales tax rates by location at [tax.utah.gov/sales/rates](http://tax.utah.gov/sales/rates), or you can contact the Tax Commission at 801-297-2200 or 1-800-662-4335. Tax rates may change quarterly. Keep in mind when finding the correct tax rate that aircraft are exempt from the resort communities tax and the state correctional facility tax (Salt Lake City).
