## First-time Registration

To register and title in Utah for the first time, an Application to Register/Title must be completed and required documentation provided. Required documentation may include a vehicle title, bill of sale, previous registration, emission certificate or safety certificate where required.

All vehicles in Utah are subject to either an age-based uniform fee or a 1.5 percent uniform property assessment fee. The appropriate fee must be paid when you register your vehicle. For additional information regarding these fees, see Tax Commission Publication 23, *Motor Vehicle Property Assessment Fees*.

Plates and/or decals will be issued to you at the completion of your motor vehicle transaction. All plates are issued to the owner of the vehicle and should be removed and returned to a motor vehicle office if the vehicle is sold.

## What to Do If You Sell Your Car

Remove your license plates from the vehicle. If you do not you may be liable for any parking or traffic violations, towing, storage, and impoundment fees should the vehicle be ticketed or impounded while your plates remain on the car.

Give the new owner the signed title and a bill of sale. Please ensure that you keep copies of this transaction for future reference or if the need arises to prove you sold the car. The new owner may obtain a temporary permit ([dmv.utah.gov/register/temporary-permits](http://dmv.utah.gov/register/temporary-permits)) from any Motor Vehicle office by presenting the signed title, proof of insurance, and picture identification and paying all applicable fees.

Notify the Division of Motor Vehicles that your vehicle has been sold. The notification must include the vehicle year, make, and model. This notification can be sent by fax (801) 297-3570, sent online at [mvp.tax.utah.gov](http://mvp.tax.utah.gov), or mailed to:
