How to Register and Title Your Vehicle in Utah

General Information

What Vehicles Must Be Registered?
• cars
• trucks
• motorcycles
• off-highway vehicles

Snowmobiles
• snowmobiles
• watercraft/motorboats/sailboats
• trailers
• campers

Trailers weighing less than 750 pounds, when empty, are not required to be registered. However, any trailer may be registered for your convenience.

Aircraft are registered with the Utah Department of Transportation Aeronautics Division. Visit udot.utah.gov for more information.

Who Must Register Their Vehicles?
Utah residents must register any of the above vehicles for use in the state.

Nonresidents using their watercraft in Utah for more than 60 days per year, must register in Utah.

Nonresidents using their off-highway vehicle or snowmobile in Utah pay an annual user fee to the Division of Recreation. Upon payment of the $30 fee, a user receives a decal for display on the off-highway vehicle or snowmobile. Decals are available from the Division of Recreation or their authorized agents.

Exceptions: Nonresident students who pay nonresident tuition, certain military personnel, temporary workers and individuals temporarily in Utah engaged in public or charitable service may be exempt from registering vehicles in Utah.

Where to Go and What to Bring
Bring to the Division of Motor Vehicles (DMV) the following for each vehicle:
• Title, if not held by lienholder
• Most recent registration
• Serial number (VIN) inspection, where required
• Utah gas or diesel emission certificate, where required
• Utah safety inspection certificate, where required
• Valid driver license

Safety Inspection Certificates

Most vehicles do not require a safety inspection for Utah registration. A safety inspection certificate is only required when registering a street-legal ATV for the first time or if you will be changing a salvage title to a rebuilt status.

You are responsible for the safe operation of your vehicle. Inspect your vehicle’s tires, brakes, steering, suspension, lights and other equipment often to make sure your vehicle is in safe operating condition.

Commercial vehicles require an annual safety inspection. An inspection certificate must be kept in the vehicle for review by law enforcement, but does not need to be submitted to the DMV for registration.

For more information about Safety Inspections, contact the Dept. of Public Safety at 801-965-4461.

Vehicle Identification Number (VIN) or Hull Identification Number (HIN)

Inspections of identification numbers are required for all vehicles or vessels to be titled in Utah for the first time. VIN or HIN inspections can be completed by a peace officer, inspection station, Utah licensed dealership or DMV employee. Inspections must be completed using form TC-661 (Certificate of Inspection). Signed safety or emissions certificates are an acceptable means of verification for cars, trucks and motorcycles. The VIN on the inspection certificate must match the VIN on the vehicle.

Emission Certificates

As a prerequisite for registration, emission certificates are required in Cache, Davis, Salt Lake, Utah and Weber counties and are valid for two months from issue date. Emissions tests can be completed at most service stations.

Emission certificates in Davis, Salt Lake, Utah and Weber counties for gas-powered cars and trucks are required every other year for vehicles less than six years old. Vehicles in
First-time Registration

To register and title in Utah for the first time, an Application to Register/Title must be completed and required documentation provided. Required documentation may include a vehicle title, bill of sale, previous registration, emission certificate or safety certificate where required.

All vehicles in Utah are subject to either an age-based uniform fee or a 1.5 percent uniform property assessment fee. The appropriate fee must be paid when you register your vehicle. For additional information regarding these fees, see Tax Commission Publication 23, Motor Vehicle Property Assessment Fees.

Plates and/or decals will be issued to you at the completion of your motor vehicle transaction. All plates are issued to the owner of the vehicle and should be removed and returned to a motor vehicle office if the vehicle is sold.
