**INSTRUCTIONS:**

The taxes and fees in this section are in addition to the combined sales and use tax in the previous section. Only one combined rate from this section will apply to a given transaction. Please refer to Publication 25 for more information on the taxability of certain transactions.

\*\*The municipal telecommunication license tax is a tax on the provider, not on the consumer. This rate should not be added to the combined sales and use tax rate from the previous section. If the tax is passed on to the consumer, the tax is included in the taxable base for combined sales tax purposes. See Utah Code 10-1-403 for more information.

**COMMENTS:**

**Changes to other tax rates with an effective date of 07/01/2014**

House Bill 155 redirects the emergency services telephone charge from the University of Utah Poison Control Center to the Computer Aided Dispatch Restricted Account (new tax type CD) and decreases that charge from 7 to 6 cents per month on lines subject to the charge; increases the 911 service charge that funds unified statewide 911 emergency service (tax type SE) from 8 to 9 cents per month on lines subject to the charge; and changes the distribution of the prepaid wireless telecommunications charge.

The cities of East Carbon and Sunnyside (Carbon County) were disincorporated and subsequently reincorporated as one city. The new city of East Carbon will retain its original name and county/city code (04-058). The county/city code for Sunnyside (04-046) will no longer be used. There will be no change to the tax rates in the new city.
