**The municipal telecommunication license tax is a tax on the provider, not on the consumer. This rate should not be added to the combined sales and use tax rate from the previous section. If the tax is passed on to the consumer, the tax is included in the taxable base for combined sales tax purposes. See Utah Code 10-1-403 for more information.

These rate charts should not be used for sourcing sales from out-of-state sellers to locations in Utah. Out-of-state sellers should source their sales based on the ZIP +4 of the customer's address. For more information, see <https://tax.utah.gov/sales/non-nexus>
