INSTRUCTIONS:

The combined sales rate for the various localities in this section applies to all taxable sales in the state. Other taxes and fees, such as transient room, short-term vehicle leasing, restaurant, telecommunications and municipal energy are in addition to the combined rate. Please see the following section for these rates. Refer to Publication 25 for more information on the taxability of certain transactions.

These rate charts should not be used for sourcing sales from out-of-state sellers to locations in Utah. Out-of-state sellers should source their sales based on the ZIP +4 of the customer's address. For more information, see <https://tax.utah.gov/sales/non-nexus>

* The tax on food and food ingredients is 3.0% statewide. This includes the state rate of 1.75%, local option rate of 1.0% and county option rate of 0.25%.

For sales of residential energy, the combined rate is reduced by 2.85%.
